## Submission of Essays for the 2024 Summer Study Scholarship

Thank you for your interest in the Summer Study Scholarship offered by the German Society of Maryland. Part of the application can be completed online, but you must also prepare two essays and submit them electronically in PDF format by email or as hardcopy printouts to the German Society.

### Essay in German

You must submit an essay **in German**, about 150 words in length, discussing yourself, your family, and your free-time activities.

### Essay in English

You must submit an essay **in English**, at least 300 words in length, explaining why you want to go to Germany.

We recommend that you prepare these essays in the word processing program of your choice, save them as PDFs, and then send them by email to the address below. Alternatively, you may print out a hard copy of each essay and send it by U.S. mail.

***All materials related to your application must be received by midnight January 12, 2024.***

Do not forget to ask two teachers to write letters of recommendation for you. One of these teachers must be your German teacher. And do not forget to ask your school to send the German Society a copy of your transcripts. An information sheet with instructions for your teachers and school can be downloaded and given to them. They should transmit the letters and transcripts directly to the German Society.

**Materials may be sent by email (preferred) or U.S. mail to the following addresses:**
