## Submission of Supplemental Materials for the 2024 Summer Study Scholarship

The German Society of Maryland is pleased to inform you that one of the students at your high school is applying for a scholarship to participate in a 3-week Summer Study program in Germany. Applicants are required to submit two letters of recommendation from teachers and a copy of their transcripts. These materials should be transmitted directly by the teachers and school to the German Society of Maryland.

Applicants have been instructed to give a copy of this letter to the appropriate teachers and school administrator to facilitate the timely submission of materials. All materials must be received by midnight January 12, 2024.

You may find more information about our scholarships at [germansociety-md.com](http://germansociety-md.com).

Information about the summer program itself, which is conducted by the American Association of the Teachers of German (AATG) and the Pedagogical Exchange Service (PAD), an agency of the German government, may be found at [www.aatg.org/summer-study](http://www.aatg.org/summer-study). Please note that AATG offers its own scholarships for this program, and the application information listed on that page is not relevant to the scholarship offered by the German Society of Maryland.

Thank you for your cooperation.

Steven R. Harper,  
President

.....  
Name of Student: \_\_\_\_\_

- Please send the German Society a Letter of Recommendation for this student. After you have prepared your letter, please send it as a PDF by email, if possible.
- Please send the German Society a copy of the student's transcripts.

**Materials may be sent by email (preferred) or U.S. mail to the following addresses:**

Email: [scholarships@germansociety-md.com](mailto:scholarships@germansociety-md.com)
